Application to Bilingual Class, BLIC, or English Class

Prior to applying, please read the following about our programmes:

BLIC: This programme is aimed at students who are bilingual (Swedish and English) at the time when they start school. Most of our students use the two languages at home and/or have been attending other English speaking schools where they have learnt English on an advanced level prior to applying to BLIC. If your child is bilingual, you are welcome to apply to our BLIC programme. You do this by filling in this application form and sending it to anna.jones@ uppsala.se. Once your application is registered and if/when you are offered a place, you also need to apply at uppsala.se/ebarnungdom.

English Class: Our English class is for students in Grade Junior class until Grade 3. The students in this class do not speak Swedish, and they are only here to stay for a short limited time. Students of parents doing research at the university are prioritized to this class.

If your child is eligible to the English Class you can apply on this form. Once your application is registered and if/when you are offered a place, you also need to apply at uppsala.se/ebarnungdom.

Swedish Classes: If your child does not know much English and if you are planning to stay for more than a term, you are welcome to apply to our ordinary Swedish classes (up to Grade 5). You do this at Uppsala webpage uppsala.se/ebarnungdom without using this form.
