

SUMMER FREE TIME CARE 2020

Welcome to summer free time care 2020!

During the weeks 28–31, it is summer free time care for students from Liljeforsskolan, Kvarngärdeskolan and Von Bahr's school. This year we are at Liljeforsskolan, see map below. The merger means that all schools are working together. This means that we see the student group as our common during these weeks.

Important information

- Opening hours - 06:30 to 17:30
- Students should be at free time care by 9.00am so we can start our planned activities.
- It is important that your child bring extra clothes, rain clothes if needed, swimwear and towel. It is also good if the child has a cap / sun hat, water bottle and sunscreen.
- It is important that you report absence or sick leave no later than 8.30am every day. See numbers below. You can also send a text message, then be sure to write the child's full name and which school you belong to.
- Lunch and snacks will be served in the Gränby School's dining room every day.

Phone number

- 072-709 76 52
- 072-254 40 81

We will only use phones from Liljeforsskolan's free time care during these weeks. So, use these phone numbers to call and announce leave, sick leave or other information we need to know.
